Upper Arlington Public Library, Friends Theater Downstairs

Our special guest speaker:

Michael Greenman

Speaking on

“We the People,” Not “We the Corporations”

On January 21, 2010 with its ruling in Citizens United v. Federal Election Commission, the Supreme Court ruled that corporations are persons, entitled by the U.S. Constitution to buy elections and run our government. Human beings are people; corporations are legal fictions.

We, the People of the United States of America, reject the U.S. Supreme Court's ruling in Citizens United, and move to amend our Constitution to firmly establish that money is not speech and that human beings, not corporations, are persons entitled to constitutional rights.

Learn more on our website at www.uaprogressiveaction.com. There will be for an opportunity for Q and A, discussion and comment at of Greenman's presentation. Join Upper Arlington Progressive Action as we work to build a better community, state and country!
